RE: Comment on RM-10867

Dear Sir or Madam:

In Reference to Changes in the License structure of Amateur Radio operation, I support the changes suggested in the submission by the ARRL. A great deal of thought has gone into these proposed changes and they reflect the opinion of a majority of Amateur radio operators. The continuing involvement of Amateur radio is vital in the welfare and Security of our country. Following the suggestions of the ARRL would Promote the modern future of Amateur radio.

Sincerely

Robert C. McKusick Jr. (W6ZAP)
